

SUPPLIER CODE OF CONDUCT

Dear Valued Supplier,

We, at Harman Finchem strives to create long-term, shared value for our stakeholders following sustainability path through balancing economic, environmental and social impacts in our decision making and activities. It is our mission to manufacture sustainable and environmentally friendly products, respecting human rights and work closely with local communities where we operate facilities.

Scope

This Supplier code apply to all suppliers where we have a contractual relationship, including contractors, suppliers of goods and services.

This supplier code of conduct will form integral part of all new or renewed commercial agreements between suppliers and us.

Requirements:

All suppliers must adhere to the following principles:

1 Environment Protection

The Suppliers are expected to maintain compliance with all applicable environmental laws and regulations in their operations.

2. Laws and Regulations

The suppliers shall comply with all applicable laws, rules and regulations and requirements in the country of operation specially related to Human rights, Governance, Environment, Health & safety.

3. Employment Practices/ Human Rights

The suppliers shall follow fair employment practices and respect human rights instruments, among others, the following principles:

- Suppliers shall not employ anyone under the legal working age, nor condone physical or other unlawful abuse or harassment in any of their businesses;
- Suppliers shall ensure that there is no forced labor, slavery or human trafficking within their operations and their supply chain;
- Suppliers shall judge their employees upon their abilities and not discriminate on

Revision 1.0, effective date: 24.12.2021 Approved by: Top Management

the basis of any condition or characteristic which is protected by applicable law or regulation such as gender, race, religion etc.

- Suppliers shall respect each employee's right to associate and right to collective bargaining and
- Work hours, wages and benefits shall be in compliance with all applicable laws.

4. Health & Safety

We expect our suppliers to provide a safe work environment in compliance with local laws and sector practices and to implement policies and regulations in order to minimize accidents or injuries and health wellbeing of its employees.

5. Product & Service Quality

Supplier will be expected to deliver product and services as per contract/purchase order quality specification in good trust and professional manner adhering to above requirements.

6 Fair Competition

We are committed to fair competition practice in the marketplace. The suppliers shall not communicate with competitors regarding current or future prices, production levels or any other information that relates to the marketplace.

7 Bribery and Corruption

We have a strict policy against bribery and corruption. Suppliers shall not offer any bribe or provide entertainment and gifts or anything of value directly or indirectly to government officials or others so as to influence them in the performance or non-performance of their duties or induce them to use their influence or secure any improper advantage or to retain business with us.

8 Monitoring of Compliance

The suppliers will be expected to conduct periodic self-assessment and submit results to us. Depending on need and risk level, our or nominated agency personnel shall be allowed access to your premises to monitor compliance with this supplier code of conduct

Please return a copy of this supplier code of conduct to Harman Finocem as token of your review and acceptance.
